DRA Imaging AWARDED BREAST IMAGING CENTER OF EXCELLENCE

August 2009 -- For Immediate Release: DRA Imaging proudly announces that it is recognized as a National Breast Imaging Center of Excellence by the American College of Radiology, (ACR). DRA Imaging achieves this recognition as a result of its accreditation by the American College of Radiology in:

- Mammography
- Stereotactic Breast Biopsy
- Breast Ultrasound
- Ultrasound-Guided Breast Biopsy
- MRI of the Breast
- MRI Guided Breast Biopsy
-

The American College of Radiology recognizes breast imaging centers that demonstrate clinical excellence when earning accreditation in each of the ACR's voluntary breast imaging accreditation programs, along with, its mandatory Mammography Accreditation Program.

The ACR is the nation's leader in establishing standards of excellence in radiology.

Historically, DRA Imaging performs the greatest number of mammograms in the Hudson Valley. DRA Imaging is honored to receive this award and remains committed to bringing quality patient care to the Hudson Valley.

Dr. Victor Gaines, President and CEO of DRA Imaging stated: "The radiologists of DRA Imaging are proud of their long history of aggressively leading the fight against breast cancer. This recognition by the American College of Radiology is gratifying. Above all it shows that we are well-versed in the use of all modern technologic modalities in diagnosing this disease."
